Varying Emotions Greet The
Announcement

(By Associated Press)

Washington, January 11.—Announcement that at the request of President-elect Harding a Washington inaugural committee last night cancelled all plans for the celebration in connection with his inauguration next March was received with varying emotions.

Those who had opposed reviving the custom of making the occasion a gala one, chiefly because of the expenses involved, expressed their commendation.

Others, while sympathizing with the spirit that prompted Mr. Harding's request, showed keen disappointment.

The action in meeting the wishes of the President-elect means that the parade, the inaugural ball and other features of the program that in the past have attracted many thousands from all parts of the country will be dispensed with.

Weeks of work by numerous committees will be undone, and approximately \$200,000 subscribed by Washingtonians toward the inauguration expenses will be returned.

What Congress will do regarding the \$50,000 voted for the erection of stands at the capitol had not been determined today.

As suggested by Mr. Harding, the inauguration ceremony, it was indicated today, will consist simply of the formal administration of the oath of office and an address by the new president, probably from the east steps of the capitol, when Mr. Harding will proceed quietly to the White House, where, in his own language he "will hang up his hat and go to work."

Chairman E. B. McLean of the local inaugural committee in announcing cancellation of arrangements for the celebration said that from the first Mr. Harding had desired an unostentatious ceremony, but had yielded to overwhelming requests for a return to old customs and to permit the occasion to be made into a gala affair in which the whole nation could participate if it desired.

MAY ABANDON OUT-DOOR PLAN OF INAUGURAL

(By Associated Press)

Washington, January 11.—House leaders expressed the view today that plans for the outdoor inaugural ceremony at the capitol would probably be abandoned out of deference to the wishes of Mr. Harding.

In the absence, however, of Senator Knox, chairman of the Congressional Inaugural Committee the question of proceeding immediately with the erection of stands capable of seating 10,000 persons was in doubt.

Trucks today were still unloading lumber at the east side of the capitol building and 300 carpenters reported for duty.

The joint resolution providing \$50,000 for erection of stands, printing of tickets and police protection was expected to be sent today to President Wilson.

SOLDIER BONUS BILL IS OFFERED

Provides For a Bond Issue Of
\$25,000,000 in State

\$10 Per Month For Time Of
Service is Plan

(By Associated Press)

Columbus, O., January 11.—The first soldiers' bonus measure was introduced in both houses of the legislature today. The measure prepared by Representative Harry L. Gordon, of Hamilton county, is in the form of a joint resolution proposing a constitutional amendment which would authorize a \$25,000,000 bond issue to be submitted to the voters at the November election this fall.

Former service men including all enlisted men and officers below the rank of Major would be beneficiaries under the measure. Payment would be made at the rate of \$10 per month for each month of service, the maximum being set at \$250.

Other soldier bonus legislation is expected to be introduced during the session.

Press Smoker

(By Associated Press)

Columbus, O., January 11.—With the gaiety and froth of inauguration day out of the way Ohio's new Governor, Harry L. Davis and other state officials inducted into office yesterday in old time inaugural style, today were getting down to the serious business for which they were elected.

The offices of most of the new officials were filled with flowers this morning and clerks and other employees had not quite explored their new desks nor got the hang of their strange quarters, but the business of running Ohio with Republicans was efficiently started.

Unusually large attendance marked all of yesterday's festivities with exception of the inaugural ball and those attending that were pleased because there was some room to dance.

More than 600 editors and newspaper men crowded into the Elks' Home last evening for the press smoker. Governor Davis made a brief address.

Such is Idea of Secretary Daniels Regarding Naval Limitations

Would Invite Every Nation Or
None To Limit Armament.

Thinks Harding Could Call
Such Conference.

(By Associated Press)

Washington, January 11.—An international agreement "with all or practically all the nations which will guarantee an end of competition in navy building" was presented as the only alternative to the building by the United States of a navy powerful enough "to command the respect and fear of the world," said Secretary Daniels in testimony today before the House Naval Affairs Committee.

The Naval Secretary who appeared before the committee in connection with its consideration of the subject of disarmament, dismissed as unworthy of discussion a third proposal for an American navy less than equal to the most powerful seapower in the world "because it is a waste of money to spend money on an agency of war which would be helpless if needed."

In presenting his view to the committee Mr. Daniels took occasion to outline the advice which he would give to President-elect Harding should he be asked for counsel on naval affairs.

This advice took the form of a suggestion that Mr. Harding immediately upon his inauguration invite the representatives of the world to meet with the representatives of the United States in a disarmament conference.

Authority for such action was given by the Naval Appropriations Act of 1916, the Secretary said, adding that if President Wilson "should call such a conference it would be impossible for him to make recommendations before his term of office expires."

Characterizing the "naval holiday" between the United States, Great Britain and Japan, provided for in the resolution introduced by Senator Borah of Idaho, as a "half-way measure," Mr. Daniels reiterated his opposition to this country's entering into such an agreement.

UNEMPLOYMENT IN TOLEDO IS ON THE DECLINE

(By Associated Press)

Toledo, Ohio, January 11.—Marked improvement in the unemployment situation as compared with a week ago was reported when representative business men and manufacturers gathered in the Commerce Club today, at the request of Mayor Cornell Schrieber, after a number of ex-service men had demanded employment of the mayor.

One week ago the number of unemployed in Toledo was given by Central Labor Union officials at 27,000. A careful checking of lists today showed, it was said, the number is less than fifteen thousand.

The automobile manufacturing plant of the Willys-Overland Company it was announced, is preparing to resume production about February 1st. Several other large factories, which have been wholly or partially idle for several weeks, also have set that date for reopening.

Every branch of business and every charitable organization in the city was represented at today's meeting.

FIVE CRIME BILLS ARE INTRODUCED

(By Associated Press)

Columbus, January 11.—Five bills designed to curb crime and punish criminals more severely were introduced today in the Ohio legislature. The measures range all the way from preventing the installation of crime into the minds of youth through motion pictures to providing the death penalty for the killing of a police officer while on duty.

TWO DIE SEVERAL BADLY INJURED

Chestnut Hotel Fire in Cleveland
Takes Toll of Life

(By Associated Press)

Cleveland, January 11.—Two men are dead from burns and suffocation and eight persons were injured in a fire which swept the Chestnut Hotel, Twelfth Street and Chestnut Avenue, early this morning.

Several persons are said to be missing. Firemen and police were searching the still blazing building for additional bodies three hours after the fire started.

The injured, including three women, were hurt in wild leaps from second story windows. Life nets were spread by firemen, but in the dense smoke and darkness several of those injured were hurt when they missed the net.

Police say the fire escape collapsed a few minutes after the fire started, cutting off escape by the iron structure after a few of the hotel occupants had reached safety that way.

The dead: Andrew Wurmel, 49, a waiter, burned to death.

Clarence Berg, 30, burned and suffocated.

Wurmel, fire officials said, was responsible for the fire through careless handling of a cigaret.

Fire officials estimated the loss at \$50,000.

DEPORTATION OF LORD MAYOR ORDER ISSUED

(By Associated Press)

Washington, January 11.—Deportation of Donal O'Callaghan, Lord Mayor of Cork, who arrived at Newport News last week as a stowaway and without a passport was requested of the Department of Labor today by Acting Secretary Davis of the State Department.

Mr. Davis' request was in writing. He quoted as his authority the proclamation issued by President Wilson on August 8th, 1918, designating the Secretary of State as the one who shall decide whether an alien coming under passport regulations should be admitted or denied admission to the country.

NAVAL AIRMEN REACH MATTICE

Long Struggle of Lost Balloonists Comes to Dramatic Climax When Officers Come to Blows.

(By Associated Press)

Mattice, Ontario, January 11.—The long trip to civilization of the three American naval balloonists came to a dramatic climax here this afternoon when two of them, Lieutenants Farrell and Hinton, came to blows over statements alleged to have been made by the latter in a letter to his wife.

Farrell struck Hinton on the jaw and knocked him down. Newspapermen and friends of the two officers separated them, but they parted without making up their differences.

When the emerged from the bush this afternoon after a sixteen day journey from Hudson Bay Company's post at Moose Factory, near where they descended December 14, the three aeronauts, bound in a tie of friendship through their facing together of death (apparently) were inseparable.

The incident occurred in the office of the Hudson Bay Company after Farrell had seen the statement contained in a New York newspaper attributed to Hinton and intimating that he (Hinton) was the saviour of his party.

Hinton remarked to Farrell that he had received orders from the Secretary of Navy forbidding any talk at present.

"You rat! You have been talking yourself," Farrell snapped back and charged Hinton with writing false reports.

Other remarks of the two officers finally culminated in Farrell's removing his coat and hitting Hinton on the jaw, sending him sprawling over the table.

WILL MOVE POSTOFFICE TO THE CHERRY BLOCK

Citizens Meat and Supply Company Leases Present Location of Washington Post Office.

Rooms Now Occupied by Schneider Plumbing Shop To Form Main Part of Post Office.

Removal Will Occur As Soon As Change Can Be Made.

It became known Tuesday that the Washington C. H. postoffice will soon be removed from its present location on the ground floor of Memorial Hall to the Cherry Hotel Block, and that the room now used by the Postoffice will be occupied by The Citizens Meat and Supply Company as a meat market and self serve grocery store.

The lease on the present quarters expires January 15th, and the removal probably will be made within the next 30 or 40 days, or just as soon as the new location can be vacated and prepared for the postoffice.

The room now occupied by the postoffice is owned by H. B. Dahl, and as soon as vacated by the post office it will be remodeled and equipped for the new business which goes into it.

The change will necessitate the moving of the Rodecker News Stand, which now occupies a corner of the Postoffice lobby, and the vacation of the rear portion of the Cherry Barber shop; the David Schneider Plumbing Shop and the room immediately back

of the Schneider Shop now occupied by the Shale Oil Company.

It is understood that the necessary agreements have been signed by the Postoffice Department and Dr. J. F. Dennis, owner of the Cherry Hotel Block.

The new location has less space than the present location, it is stated, but it is claimed that it will be ample for conducting the rapidly increasing business.

The post office has occupied the present location for fifteen years and was moved from the Cherry Hotel Block, having occupied the room now used for a restaurant.

The transfer of the Postoffice, while taking it away from the center of the business district places it with in one square of where it will be ultimately located on the south east corner of Hinde and West Market streets, and with in the required distance of the Union station so that transfer of the mail will not require expenditure from the postoffice department. The rental of the new location is said to be considerably under that asked for the present location.

The postoffice lease originally was for a period of ten years, and at the expiration of that time was renewed for a period of five years.

Since the postoffice has occupied the west half of the first floor of Memorial Hall a number of postmasters have been in charge. Joseph G. Gest was the first postmaster in the new location serving a little over one year. J. H. Culhan came next with nine years as postmaster, S. A. Murray for four years and H. C. Ireland part of one year, following which the present Postmaster Glenn B. Rodgers took charge.

The change was made by the Postoffice Inspector, whose duty it is to Shop and the room immediately back

Talcum And The Tabernacle

A few days ago Overseer Voliva of the Zion City Zionites in a moment of temper declared that he would "lecture" and then "slap the face" of the next woman he caught in the tabernacle with powder on her nose.

The overseer had probably stepped out of the wrong side of the bed that morning, or had perhaps a touch of indigestion. At any rate the edict is silly and, if serious, brands him as a petty tyrant.

The fact that Overseer Voliva, or anyone else, disapproves of the use of powder by the women, is beside the point. It is probable that some of the women of Zion disapprove of the way Voliva wears his hair. But the point is that it is none of the overseer's business whether the women powder their noses or not, which has nothing to do with worship in the tabernacle.

There is a certain sort of reformer, and Voliva evidently is of that type, who believes his personal stamp of disapproval on a thing renders that thing odious and sinful, and he has no patience with the opinion of anyone who may disagree with him.

Voliva, in his curtain lecture, also decried the lack of modesty in the clothing of modern women and demanded that the women of Zion return to the style of clothing that served his grandmother. There may be room for improvement in the matter of feminine apparel, but it is probable that if the women of Zion were to appear without warning at worship, garbed as Voliva's grandmother was, he would be the first to hold them up to ridicule.

The Up-Town Sidewalks

The up-town accident of Sunday evening, when an apparently sound pavement caved in, carrying to the basement below four young women who were all more or less injured, flagged public attention to the necessity for giving constant supervision to the condition of our pavements.

There are many dangerous places in Washington's up-town sidewalks—places where stones have separated where the rock has been chipped away, where the concrete has been broken.

A number of flagstones in pavements in the most frequented part of our city have been worn so smooth that after a rain they are as slick as ice—perhaps even more treacherous because not as carefully watched.

Manholes, unless properly protected, are most dangerous.

Where the accident of Sunday evening occurred the flagstones were apparently solid, but the wall underneath had crumbled and was seemingly so weakened by the falling out of a few bricks that the slight jar of the pedestrians caused it to give way.

It is most important on the part of both property owners and the city management that careful attention be given to the up-town sidewalks and that they be kept in such perfect condition that all possibility of accident is removed.

The fact that a number of these pavements have deep basements below them and are naturally weakened by the constant jar of passersby make such attention all the more vital.

A Modern Jesse James

A hold-up which occurred Sunday near Elizabeth, N. J., recalls the exploits of the celebrated Jesse James, who prided himself on a sense of honor. It was his boast that he never robbed the poor or deserving.

Automobile bandits near Elizabeth, squaring their car across the road, forced a following car to come to a stop and proceeded to "stick up" the occupants.

While "going through" the victims, one of the bandits noticed that a passenger he had just relieved was legless. On inquiring, he learned that the victim was a world war veteran who had lost his legs in service.

Whereupon the bandit promptly returned the soldier's valuables to him and apologized for his act.

Bandits with a sense of honor are as scarce as frogs with fur, and they are due the distinction at least of being hanged with a silk rope.

JEFFERSONVILLE INSTITUTE OPENS

In Jefferson Hall the Farmer's Institute at Jeffersonville will open Wednesday morning at nine o'clock and will continue until Thursday night.

State speakers on the program are G. W. Miller, Mrs. Thomas P. Pierce, and Charles Henry.

The Jeffersonville public school will play an important part in the institute. On Wednesday evening the 4th, 5th, 6th, 7th and 8th grade will present the pageant give on community night several weeks ago. Superintendent R. E. Correll will direct the pageant.

As the closing event of the institute the Senior Class will give a three act comedy-drama Thursday night entitled "Woolho."

There is every indication that with these entertainments as features the Jeffersonville Institute will be one of the most successful held there.

Music at each program will be furnished by high school students.

WET GOVERNOR DOES NOT WANT THE BLUE LAWS

Trenton, N. J., January 11.—Governor Edwards in his message to the incoming New Jersey legislature to day urged rejection of any bill designed to bring about a restricted Sunday.

He condemned the "blue laws" and expressed the opinion that Sunday laws should be liberalized.

"The spirit of restricting and encroaching upon the liberties of the people in this country through legislation apparently advocated by those forces which brought about adoption of the 18th amendment and the Volstead act is so entirely un-American I am sure it can never prevail," he said.

"It has been the vain but futile hope of misguided people for many years to be able to legislate morals into a community."

WASHINGTON D. C. FIRE LOSS WILL REACH \$2,000,000

Washington, January 11.—Census officials said today it would cost \$2,000,000 and require 2 to 3 years to copy off and thus save the census records damaged by the fire last night in the basement of the Department of Commerce building.

Complete examination of the damage done by water and fire showed the 1890 records, the most voluminous of the entire number, were almost totally destroyed. The Department of Commerce was closed today while repairs to the building were being made. Cigaret smoking was blamed for the fire.

WOULD CENSOR CRIME PICTURES

Columbus, O., January 11.—As a means of combatting existing crime wave State Representative McCoy of Adams County, today introduced an emergency bill in the Ohio Legislature making it a criminal offense to exhibit motion or still pictures depicting crime.

PIMPY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.

SYMPTOMS WOMEN DREAD

Mrs. Wilson's Letter Should Be Read by All Women

Clearfield, Pa.—"After my last child was born last September I was unable to do all of my own work. I had severe pains in my left side every month and had fever and sick dizzy spells and such pains during my periods, which lasted two weeks. I heard of Lydia E. Pinkham's Vegetable Compound doing others so much good and thought I would give it a trial. I have been very glad that I did, for now I feel much stronger and do all of my work. I tell my friends when they ask me what helped me, and they think it must be a grand medicine. And it is. You can use this letter for a testimonial if you wish."—Mrs. HARRY A. WILSON, R. F. D. 5, Clearfield, Pa.

The experience and testimony of such women as Mrs. Wilson prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound will correct such troubles by removing the cause and restoring the system to a healthy normal condition. When such symptoms develop as backaches, bearing-down pains, displacements, nervousness and "the blues" a woman cannot act too promptly in trying Lydia E. Pinkham's Vegetable Compound if she values her future comfort and happiness.

WEATHER SAGES ARE DECLARING WINTER IS OVER

All "signs" point to a continuation of mild weather, it is declared by the weather sages.

One comes forth with the statement that the weather will not at any time this winter return to its one time ferocity because he has noticed a spider weaving a web. Another says he overturned a log in the woods and found beneath it a squirming snake. Yet another says winter will not hold supreme sway because a flock of ducks passed over going north and that this is a sure sign. A dandelion patch in full bloom was seen by one of the sages and the statement is issued that the ice bound fastness of winter will not clamp down again this season.

Coming back to the maxim that figures always stand for the truth, weather man, William Arthur says the open winter was due. A mild January comes on the average once every eleven years and this is the eleventh year.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The officers and teachers of the First Presbyterian Sunday School Council held its Annual New Year's meeting and tri-monthly supper Monday night at the church.

The supper and its delightful sociability was the fore runner of the business session. It was a delicious, piping hot chicken pie supper with all accessories served in buffet style. The basement dining room was brightly enfeited in the yuletide red and green and a beautiful pot of Jerusalem cherries adorned the table in the center.

The supper was admirably prepared and served by the evening's committee, Miss Emma Jackson, Chairman, Misses Blanche Breech, Helen Alden, Grace McHenry, Dr. Frederick D. Woolard, Mr. C. H. Moorehouse.

The business session was largely devoted to the discussion of plans for the coming year. Dr. Woolard was reappointed by the session as Sunday School Superintendent and Mr. J. A. Walker as assistant. As a tribute of appreciation for their faithful and efficient services the Council presented them with a fountain pen and silver pencil Mrs. Charlotte T. Tuttle made a happy little presentation speech.

The subject of Near East and European relief was taken up and it was voted to give \$100 from the S. S. treasury to European relief and next Sunday morning S. S. offering will be used for the Near East.

Mrs. John H. Sellman, of Yeoman street, was given a most successful birthday surprise on Sunday, when nearly fifty relatives and friends gathered with baskets for a noon feast of good things.

Mrs. Sellman has had other surprises, but none as complete and altogether as enjoyable as this one. Rev. G. E. Groves prefaced the dinner with grace.

Mrs. Sellman's sisters, Mrs. Ella Olinger and Mrs. Henry Dellinger, and Mrs. Jess Daley, a neighbor promoted the affair.

The regular monthly meeting of the Board of Directors of the Y. W. C. A. was held Monday afternoon at four o'clock in the Y. W. C. A. room with the chairman, Mrs. Carrie B. Willis, presiding.

Reports of the various committees were given. Miss Townsend reported three clubs of girls working, and another to be organized soon. Christmas activities of the club girls included several parties, one especially of interest a children's party in which twenty-six little ones were given a happy time. A meeting the Sunday before Christmas brought together forty-five. The seventh grade girls were initiated in the Girl Reserves last Saturday afternoon with their mothers and friends, as guests.

In the educational department, two classes in millinery have been completed, with the Art History and Sew-

ing classes to be completed this month. Seven magazine subscriptions have been sent in, the magazines, Literary Digest, Ladies Home Journal, American Magazine, National Geographic, Good Housekeeping, House and Garden, Missionary Review of the World. These magazines, two of them gifts will be placed in the Y. W. room and a cordial invitation is extended to the public to make use of them.

The Tuesday luncheons under the auspices of the Young Woman's Council are still being carried on. Other plans are being formulated by this Council to interest more girls in the Y. W.

The date of the membership supper was announced for the evening of Tuesday January twenty-fifth, the full program and committees to be published in a few days.

It was decided to have a called meet of the Association at the Y. W. room next Monday evening at seven o'clock, for the purpose of electing a nominating committee to present names for new members of the Board of Directors, whose time expire.

Mr. and Mrs. Walter McLean very cordially extended the hospitality of their home on Leesburg avenue to the members of the Men's Bible Class of the First Baptist Church and their wives for the first meeting of the year, Monday night. Forty were in attendance.

As is the usual custom, the business session opened the meeting. An election of officers resulted in Mr. F. Morris Cochran being chosen teacher; Mr. John Case assistant teacher; Mr. John Draise, president; Mr. Harry W. Townsley, vice president; Mr. Walter McLean, secretary; Mr. Myers Kinney, treasurer.

Mr. and Mrs. McLean served delicious refreshments during the pleasant social hour.

For Mrs. Edward Eichenberger (nee Louise Habegger) a bride of Christmas day, Mrs. C. W. Moore and Miss Lizzie Ellen Green gave a surprise shower on Monday night at the Moore home on West Market street.

Mrs. Eichenberger, the competent supervisor of music in the public schools, for all that she has entered the married list, will finish out the year's work—an announcement gratifying both to the school management and its patrons.

The shower of Monday evening is one of several informal little affairs being planned for this popular instructor.

Mrs. Eichenberger had accepted Mrs. Moore's invitation to dinner with no intimation of the shower, and was greatly surprised upon her arrival to find all the teachers of Central guests with her.

The dinner table was quite unusual and extremely pretty, with the bride's gifts, wrapped in blue paper, piled in the center. At each cover were blue crepe paper baskets, filled with candies, and on the handles blue butterflies, bearing the names in gilt, served as place cards. Larger blue butterflies hovered above the table.

After the delicacies of the dinner were enjoyed there was a merry hour devoted to the opening of the packages.

The bride was charming in a hand-some suit of French blue velvet, with georgette blouse of same shade. Mrs. Moore wore mahogany satin, braided, with ecru vest, and Miss Green a blue and white sweater, with fancy vest and plaid skirt.

The guests with Mrs. Eichenberger were Misses Lillian Taylor, Golda, Baughn, Aileen Hess, Emily Palmer, Anna Bell, Mae Sollars, Lena Fultz and Mrs. Milton Tracey, who is substituting for Miss Blackman.

The Mothers' Circle met with Mrs. Virginia Baer Monday. There were 22 members present.

The Circle decided to unite with the State Federation of Women's Clubs, but to confine the membership to 35 and to keep on meeting at the homes of the members.

The program was of great interest. Mrs. Morna Chapman told how each mother can conduct a modest kindergarten in her own home and how it amuses as well as instructs the child.

Mrs. Katherine Lipsett stressed the advantage of the child's first year at the public school, being altogether

a year of kindergarten. In many localities this is the custom.

The Mothers' Circle is well known for its public welfare work in the county as well as in town and the ladies are now planning a way to raise funds to do more of this good work.

Mr. and Mrs. Joseph Hoppess of North North street entertained at an enjoyable dinner Sunday, Miss Effie Marshall, Miss Spillie Brown, Mr. and Mrs. James Lee of this city.

Mr. and Mrs. John Sheeley of Hyde Park, Cincinnati were guests of Mr. and Mrs. Estel Smith Sunday and Monday.

Mr. Wilbur Collins and niece, Mrs. Frances Schlessinger, left Tuesday afternoon for Asheville N. C., where they will be located at the Margo Terrace Hotel. Before returning they expect to visit Cuba and the Panama Canal.

Editor O. E. Fultz of Jeffersonville was a business visitor here, Tuesday.

Miss Ethel Powell spent Tuesday in Columbus.

Mr. and Mrs. Cecil Shoemaker are announcing the birth of a nine pound son at their home on the Greenfield and Sabina pikes, Monday evening.

Mr. R. H. Harrop was in Roseville, Ohio, Tuesday, attending the funeral of an uncle Mr. Charles Moody.

Editor C. M. Hobart, of the Greenfield Republican, was a visitor in this city Tuesday morning, enroute from the inauguration at Columbus to his home in Greenfield.

Mr. and Mrs. Charles B. Johnson motored to Columbus, Monday to spend the day with Miss Edyth Blackman who is undergoing special medical treatment under the care of Dr. Drury. The many friends of Miss Blackman are hoping for a rapid recovery.

Probate Judge-elect Nye Gregg is attending a two day session in Columbus of the Probate Judges Association. Mr. Will E. Dale has gone to Chicago and Grand Rapids to attend the furniture displays, and purchase goods for his large furniture store.

Mr. and Mrs. Harry Gene Tillett, (nee Elsie Penrod) are announcing the arrival of a ten pound boy January 6. The little fellow has been named Scott Eugene.

FULL FINANCIAL REPORT IS MADE BY RED CROSS

Fayette Chapter of Red Cross In Fairly Good Condition at Completion of 1920.

Support of Citizens is Asked For Future Years.

Following the report of Treasurer Scott Hopkins the annual report of the Fayette Red Cross Chapter has been made by the Secretary, Miss Edith Gardner.

The report is made under two heads, the General Fund and the Civilian Relief Fund. It is shown that the General Relief balance in the bank January 1, 1921, was \$2,814.68, but of this amount there will be forwarded to the Division Headquarters as the chapter quota \$1,029.50 which will leave \$1,785.18. The balance on hand for the Civilian Relief, which is in charge of Miss Mary Robinson for ex-soldier relief and such work is \$2,138.50.

The report in detail of the General Fund is as follows in bank January 1st, 1920, \$3,724.96; receipts were: War chest, \$100; general contributions, \$108.88; tuition paid in by home hygiene classes, \$579.20; 4th roll call, November 4, 1920, \$1980; contributing membership, \$35.00; sustaining membership \$50.00. This brings total for 1920 to \$6628.04. This has been paid out as follows: To Division Headquarters for the 3rd roll call 1919, \$1813.50; home service salary and expenses, \$772.74; home hygiene expenses \$564.99; general expenses, \$662.13. Total \$3,813.36. With expenses subtracted and with the Division Headquarters money taken out there remains \$1786.18.

Miss Mary Robinson, home service secretary, reported a balance in the bank January 1, 1920, of \$3248.00. Paid for relief expenses for year, \$1109.50. Balance on hand January 1st, 1921, is \$2138.50.

“The Brute Master”

A stirring tale of the sea with action and thrills galore.

The best comedy Charles Chaplin ever made. Reissued under name of—
“Easy Street.”

Finance committee—Scott Hopkins, chairman; M. E. Hitchcock, A. W. Duff, R. T. McClure, Charles Persinger.

In connection with the report Miss Gardner says: “The home relief service was mostly in soldiers' families; but in cases where there was no other source to call upon the home service secretary came to the relief.

“In several instances of critical illness and destitution a nurse was provided and children were helped with clothing and shoes. Many cases were referred back upon investigation to the township trustees or the home county of the person seeking aid.

“In all cases an effort has been made to help people to help themselves rather than simply lend our Red Cross money.

“Mrs. Hopkins, chairman of the work committee, reported that 15 dozen garments for overseas refugee children had been cut out and turned over to Supt. O. S. Nelson for the Junior Red Cross to be made by the pupils in the county schools.

“The report of the committee on nursing activities is included in the secretary's report which follows. Beside the home service and its constant work of relief and investigation one of the most important enterprises of the past year has been the home hygiene classes which began October 1st. These classes have been successfully conducted by Miss Helen Felkner Red Cross nurse instructor. There have been 15 classes in all, six of the high school girls and nine women's classes, with an enrollment of 250.

“These classes have been held here and at Jeffersonville, Milledgeville, Bloomingburg and Good Hope. Thus Miss Felkner has been able to reach almost every part of the county and has kept up the interest to an unusual degree. The amount of good her instructor may accomplish is incalculable and remains for the future to show. It is very gratifying to know that the cost of the classes has been almost covered by the tuition of the pupils attending.

“Another big accomplishment was the Fourth Roll Call campaign which netted \$2115 with some yet to be paid in.

“Putting on the pageant ‘The Red Cross of Peace’ added something to the expense account but may have more than compensated in awakening interest in the work.”

“If the citizens of Fayette county will continue to support the organization its work in the future may be even more effective than it has been

in the past. Certainly we shall see more of the results here at home for the opportunity is large.”

FISH AND GAME ANNUAL BANQUET ON FEBRUARY 2D

Greatest Banquet of The County Will Again Be Held In Memorial Hall.

Plans Call For Elaborate Affair With Many Hundreds Attending.

The annual banquet of the Fayette County Fish and Game Protective Association will be held “Ground Hog Day” February 2.

This was decided at a meeting of the association Monday evening in the probate judge's office over which President Morris S. Baker presided and which was attended by half a hundred members.

Memorial Hall was again decided upon as the most notable place to hold the banquet. Both floors will be utilized in caring for the large crowd, as last year when there was entertainment on the second floor while the first table of the banquet was in progress on the third floor.

Committees for each feature of the banquet were arranged and will be announced.

The president appointed a committee consisting of Harry M. Rankin, Henry Brownell and Ed Fite on the incorporation of the association. The same committee on auditorium was continued for the current year.

A committee of three was appointed to arrange for weighing stations throughout the county, including this city. The committee is Harry Baughn, W. H. Icenhower and Frank Hard.

NOW EXHUMING
NATIONAL GUARDS

Paris. (By Mail)—Exhumation of the bodies of the American soldiers buried at Bony cemetery, all men of the 27th (New York National Guard) and 30th (Wildcat, from Tennessee and North and South Carolina) divisions began recently. Of 1777 bodies in the cemetery about 900 will be returned to the United States and the remainder will not be returned to the United States and the remainder will not be disturbed. Bony is to be one of the four permanent cemeteries in France, and other bodies will be moved into the cemetery, but this work will not start until the work of sending bodies to America has been completed.

It is the first big battlefield cemetery to be reached by the Army exhumation units. The district is so devastated that there is no shelter for the workers and a train had to be provided to make quarters for them. The winter weather has also set in and movable sheds have had to be built to shelter the men while working.

FAN'S TO ACCOMPANY
TEAM TO GREENFIELD

McClain Has Eight Straight Victories While Washington High Started Season Last Week.

Scores of basket ball fans will go to Greenfield Friday evening when Washington High meets McClain High in the ninth game that McClain has played this season.

Thus far McClain High has played eight games and eight time has brought from the floor the large end of the score. Among their victims are the names of such schools as Hughes High of Cincinnati, East High of Columbus, and the Springfield High School.

Washington High has played one game. This was lost to Athens last Friday evening by the score of 12 to 40. But here's what Athens said of the Blue and White quintet; that it was the best team played so far this season and that the Washington team showed better than any team on the Athens floor.

Athens has played the Columbus high schools and boasts a landslide victory over Commerce High.

McClain is confident. They see a chance to erase part of the stain left on their football record by the two defeats the locals gave Greenfield on the gridiron.

Washington High, badly crippled in lineup and under every handicap enters the game the underdog but the student body of the high school and many fans believe a surprise awaits the Edward Lee McClain defendeds.

Loves Her Cows And Chickens Again

"I have had stomach trouble for twenty years and for the past year have eaten nothing but stale bread and drank hot water. Was too weak to do any kind of work. Six weeks ago I took the first dose of Mayr's Wonderful Remedy and am now doing all my house work besides looking after my chicken and milking two cows every day. Mine has been a wonderful recovery." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.
